

God is Good all the Time
By Darryl Sutton

We all seem to turn to God when we are facing crisis, but when things are going smoothly, we just coast along.... I just wanted to share that God is good all the time and for us all to remember to praise Him whether we are in dire straits or just walking in green pastures.

I know that there are a lot of guys here in prison who are fighting natural life sentences. Well, I had three natural life sentences and four hundred years on one case. But, praise God, my convictions and sentences were reversed and remanded for a new trial. I am still waiting to go back for my new trial. But the main thing that I wanted to share with everyone is that God answered my prayers. He has plans for me. I don't exactly know what they are yet, but I am ready to move as God wants me to. To all the others fighting long sentences, keep the faith. God is good...

Love in Christ,
Your Brother Darryl
